

Dear Clients and Friends,

January 2025

Happy New Year and welcome to the 2024 tax season! This past year was relatively quiet, as far as tax changes go. However, the re-election of Donald Trump and the upcoming expiration of the Tax Cuts and Jobs Act, at the end of 2025, are poised to have an impact on future tax policies. We will continue to monitor progress with changes in tax policies, and we will provide updates on significant changes through our monthly newsletter and website. If you would like to sign up for our monthly newsletter, please go to www.bepcocpa.com/news and complete the form.

We are also excited to announce we have made significant changes to our website and believe it provides a much clearer picture of our services and how we can better serve you. We would love for you to see the changes for yourself! Visit our new and improved site at www.bepcocpa.com

2024 Tax Season Filing Deadlines

We encourage everyone to submit their tax documents to us as soon as you have gathered all your documents. Unfortunately, we are unable to start working on tax returns if we do not have all the needed tax documents. We also closely monitor our Firm's workload throughout the tax season and will inform you if there is a need to file an extension for your tax return.

How to Provide Your Information

We will be sending out Engagement Letters to all our clients this year through our secure portal, SafeSend®. If we file your individual, Form 1040, we will also send your Client Questionnaire and Tax Organizer through SafeSend®. This provides you with a secure, single location for all your tax preparation needs. You'll be able to complete and electronically sign forms, submit tax documents, and receive your completed tax returns, all in one platform.

We thank you for your continued trust and partnership. Here's to a successful and prosperous year ahead!

Best wishes,
Brewer, Eyeington, Patout & Co., LLP
